**ICS Technologies, Inc.** is a small business with over 30 years of experience in Systems Integration, Contract Management and Procurement Services in the fields of Information Technologies, Networking and Communication Solutions, Healthcare Information System, Medical Equipment Planning and Upgrade, Environmental Protection and Agriculture.

ICS management capabilities range from managing turnkey deployment projects, procurement, and logistics, to implementation of technical assistance project requiring professional training of the end-users and related personnel.

***ICS U.S. Government Experience***

ICS is proud of its history of providing the U.S. Government with cutting-edge technology:

- |   |  |
|---|--|
| U.S. Army Corps of Engineers              | Centers for Disease Control and Prevention     |
| Department of the Army                    | Joint Contracting Command-Iraq and Afghanistan |
| Department of the Navy                    | Federal Aviation Agency                        |
| Department of the Air Force               | Department of Homeland Security                |
| U.S. Agency for International Development | Department of State                            |

***ICS Partners***

Through the years, ICS has developed very close business relations with the leaders of the IT industry including

- |                |                |                 |
|----------------|----------------|-----------------|
| 3- COM         | COMTECH EF     | HP Computers    |
| 3M Corporation | Dell Computers | IBM Corporation |
| APC            | DRS            | Lenovo          |
| Avocent        | DynCorp        | Motorola        |
| Cisco Systems  | EMC            | SS8 Corporation |

ICS is a Value Added Reseller (VAR) to most of the IT manufacturers in the USA.

Our experience, reputation and expertise allows us to deliver a wide range of services at the highest standards of performance. We can assemble a team of highly skilled professionals in almost any industrial area in a very short time, and manage that team in timely completion of the task of the project.

The diversity of offered services allows us to participate in projects related to different fields of activity and requiring multifaceted experience. ICS's goal is to offer a most cost effective solution to our customers and we are successful in delivery of satisfactory outcomes at competitive prices.
